Pope Won't Tell Secret Of Fatima

VATICAN CITY (AP) — The fate predicted for the world in the famous 1917 "Secret of Fatima" is likely to be kept a mystery when Pope Paul VI visits the Fatima shrine in Portugal next Saturday, Vatican sources said today.

The secret has been locked up in Vatican City since it was entrusted to the papacy by a shepherd girl, Lucia dos Santos, who is said to have seen the Virgin Mary in an apparition. She

is now Sister Lucy, a 60-year-old Carmelite nun.

Vatican sources said Pope Paul probably will wait a considerable time before revealing the written prophecy. Scattered hints coming out of the Vatican in recent years indicate the secret is an optimistic prediction of an epoch of growing universal peace—not a presage of impending doom.

On May 13 Pope Paul will fly to the rugged and once-isolated

spot where Sister Lucy and two young cousins reported seeing a "lady in white" in six successive monthly visions beginning May 13, 1917.

The children said she asked for more prayers for mankind, especially for the conversion of the Soviet Union from communism, and predicted the global conflict that was to be World War II.

Lucia said the "lady in white" also gave her a message for the

Pope, which Lucia memorized and later wrote down in Portuguese. She gave it to her bishop in a sealed envelope. The message was sent to the Pope with instructions Lucia said she had been given: that it must remain unread until 1960.

Pope John XXIII opened the envelope and read the message sometime between 1960 and 1963 and showed it to Alfredo Cardinal Ottaviani. Then, deciding the message should not be made

public, Pope John resealed it. He died in June, 1963.

When Pope Paul addresses pilgrims—more than a million are expected—on his 13-hour trip to Fatima next week, it is thought he may mention the Fatima secret in passing without disclosing what it is.

Cardinal Ottaviani, however, told a gathering in Rome last February that "morbid and alarmist" speculation about the Fatima message was "entirely

false." The cautious, conservative Italian cardinal who directs the Vatican Congregation for the Doctrine of the Faith also spoke of "the confidence the message of Fatima inspires."

The Fatima site has become one of the largest Roman Catholic shrines in the world. It is built up with hotels, convents and other religious houses, including the basilica where Pope Paul will say Mass and pray for peace.

Chicago Truck Strike Costs \$300 Millions

CHICAGO (AP) — The Teamsters Union has won a 76.04-cent-an-hour increase for its drivers across the nation and ended a 12-day strike-lockout in Chicago. The labor dispute cost the Chicago area economy an estimated \$300 million.

The pact must be voted on by union members.

The increase for drivers will be spread over three years. Payroll losses for the 45,000 Chicago drivers and 200,000 other workers idled by the dispute was estimated at more than \$60 million.

The strike loss estimates were made by John Coulter, associate director of research and statistics for the Chicago Association of Commerce. He said there is no way to estimate the permanent loss that will result from the failure of small companies to recover.

Louis Peick, chief negotiator for the 10 striking Teamsters locals in Chicago, said the package "is the best deal we ever had."

Terms of the tentative three-year pact provide for an hourly wage increase of 25 cents the

first year and 15 cents in each of the succeeding two years. The agreement also included health and welfare, pension, vacation and potential cost-of-living benefits.

Free Bond Film Sparks Riot In Boston Today

BOSTON (AP) — An estimated 10,000 college-age youths responding to a movie theater promotion rioted for almost three hours early today in the congested honky-tonk district downtown.

Police Capt. Joseph Hanley, who made the crowd estimate, said the melee was "out of control for a while" until a hastily assembled group of more than 75 policemen could disperse the rioters.

More than 20 persons were arrested.

At least five persons were taken to hospitals. Three were treated for cuts and two for dog bites. Police said two dogs from the Canine Corps were at the scene, but it was not known whether those bitten were injured by these or by other dogs seen in the area.

The riot followed an offer of the Savoy Theater to admit free anyone clad in a James Bond-type trench coat to a special preview showing of "Casino Royale."

The showing was scheduled for 4 a.m., but the crowd "became so huge," said house manager John P. Sullivan, that the doors were opened at 1:30 a.m.

Sullivan said the theater was filled to its 2,856 capacity by 1:45 a.m. and the showing of the two-hour and 15-minute film began.

Thousands of would-be patrons bottled up a block-long section of Washington Street outside the theater and spilled into several side streets.

Every available Boston city policeman was summoned to the scene and reinforcements were called in from the Metropolitan District Commission force which patrols Greater Boston and from the state police.

Wisconsin with 25 delegates ousted, Missouri with 21 and Illinois with 10 were the hardest delegations hit. Mrs. Schlafly claimed all of those disbarred were her supporters.

TULSA, Okla. (AP) — "There weren't any big guys around. I kicked off my shoes and jumped in and pulled him out," said Terry Towry, 9, to explain how he rescued a toddler from the bottom of a swimming pool Thursday.

Terry said he doesn't know how long Kevin King, 2, lay on the bottom before he and Carolyn Lippard, 11, heard Kevin's brother, Kent, 4, crying.

Kent said he and his brother, sons of Mr. and Mrs. Don King, had been playing a game around the swimming pool of an apartment complex.

Kent said the game consisted of walking around the edge of the pool with their eyes closed.

Kevin was revived by firemen and hospital attendants.

He was reported in critical condition.

Ground Fighting Diminishes As Yanks Take Hill

SAIGON (AP) — U.S. bomber pilots reported wrecking a key rail yard and severely damaging a North Vietnamese army barracks near Hanoi Friday, while ground fighting in South Vietnam died down after American Marines seized a strategic hill.

U.S. military headquarters made no mention today of any American planes lost in the raids. Radio Hanoi claimed seven planes were shot down and several American pilots captured.

The U.S. Command said the Yen Vien railroad yard six miles east-northeast of Hanoi's center is "considered unserviceable" after Air Force F105 Thunderchiefs from Thailand bases attacked with 750- and 3,000-pound bombs. F105s also hit the Ha Dong army barracks four miles southwest of the Communist capital.

Air Force pilots from Da Nang in South Vietnam discovered a surface-to-air missile transporter carrying three missiles just north of the demilitarized zone between North and South Vietnam. U.S. headquarters said the 60-foot long transporter and two of the missiles were destroyed.

In an area 12 miles south of the zone, B52 bombers pounded North Vietnamese troop assembly areas and fortifications Friday night just north of three hills where American officers said the enemy had been preparing to launch an assault on a Marine post at Khe Sanh.

Marines won control of the last of those hills Friday after a 12-day battle which cost 160 Americans dead and 745 wounded. The Marines counted 577 enemy dead and estimated 610 others were killed by their fire and by U.S. jet planes and artillery.

Battle Not Over?

Gen. William C. Westmoreland, commander of U.S. forces in Vietnam, visited the scene and said: "I don't think the battle necessarily over."

"But the enemy has been set back and has suffered tremendous casualties," he said. "The Marines hit them before they had a chance to prepare the area."

A company of U.S. Marines also fought south of Da Nang Friday, losing seven dead and 14 wounded to Communists entrenched in fortified positions. The Marines reported killing one enemy soldier.

South Vietnamese Premier Nguyen Cao Ky was in Da Nang for a two-day visit to areas of recent fighting.

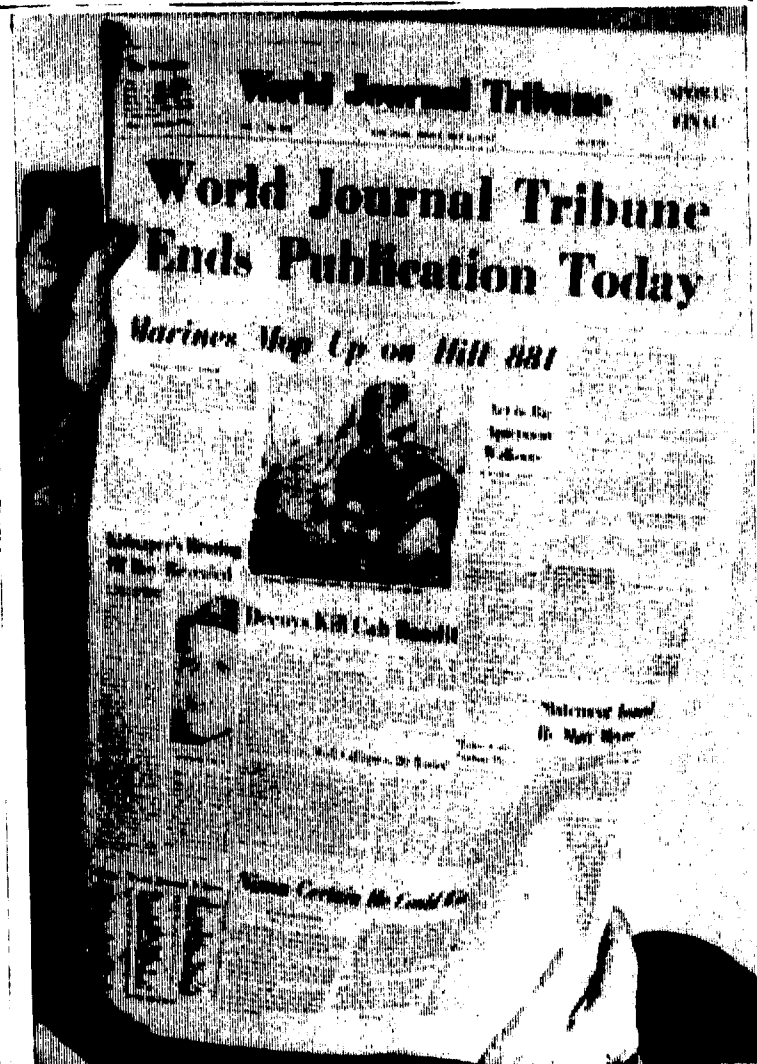

He told newsmen he expects the Communists to try to open a new front in the central highlands when the weather shifts soon to a rainy season over the South and drier weather in the North.

Boys' City

BOYNE CITY (AP) — The Boyne City Citizen was the object of a demonstration Thursday by teenagers who objected to a headline in the weekly newspaper. It read: "Boys' City Teens Hooked On Glue."

The teenagers claimed only an isolated case was involved and that the newspaper created a bad image of them generally.

Probate Judge John Maycut of Charlevoix County, however, said glue sniffing was a serious menace and that he knew of a number of such cases.

Trib Demise Laid To Labor

NEW YORK (AP) — The shutdown of the World Journal Tribune has brought expressions of shock and sorrow from members of the newspaper's staff and industry leaders.

The eight-month-old paper published its final editions Friday after announcing that union restrictions and harassment coupled with steady losses had forced it to quit.

"The thing that has brought us to this day is the intransigence of the unions," charged Matt Meyer, president of the afternoon and Sunday paper. He said losses were averaging \$700,000 a month.

Union leaders — Bertram A. Powers, president of the Printers' Union local, and Thomas J. Murphy, executive vice president of the Newspaper Guild — suggested in turn that there might have been difficulties among the three owners.

Arthur Ochs Sulzberger, president and publisher of the New York Times, said the loss "filled me with shock and sorrow" and

had hoped they could surmount them.

The newspaper was formed in a merger of three of the most famous names in American newspaper history — the New York Herald Tribune, the World-Telegram & the Sun and the Journal-American.

First published after a 140-day strike last year, the end came as a new round of New York newspaper contract negotiations was under way in which a pattern of a 21 per cent wage increase over three years had been set.

Meyer placed circulation of the World Journal Tribune at 700,000 daily and 900,000 Sunday. It was third in size of four Manhattan dailies.

The closing left 2,600 persons out of jobs. In the city room, after the announcement was posted, there were some tears among the staff and some tense laughter.

For some employees it was the third time in recent years a paper had folded under them. "I'm still in shock," said Ara Piatro. "There was an intimation when the other two folded, but I didn't suspect a thing this time."

The shutdown left Manhattan with two morning dailies, both with Sunday editions, the Times one afternoon newspaper of general circulation, the New York Post.

At the turn of the century there were 15 general circulation dailies here and as recently as 1930 a dozen still survived.

Women Enter Bahamas Race

Mrs. Rene Jacoby and her 24-year-old daughter Gale, both of Miami, are the only women entered in the race.

They'll pilot a houseboat called the "Good Guys," powered by Chrysler marine motors.

called it "a blow to our entire community, whose spirit and vitality need many voices, many opinions to reflect its own mixture."

Paul Miller, president of Ganett Newspapers and of The Associated Press, said he was "terribly saddened by the closing. I know they had many problems from the start and

called it "a blow to our entire community, whose spirit and vitality need many voices, many opinions to reflect its own mixture."

NEW YORK — House Minority Leader Gerald R. Ford says the GOP has "learned its lesson" from the 1964 convention and will go to the 1968 convention more united than ever in its history.

LANSING — The House of Representatives neatly sidestepped a deadline for floor action Friday. At the deadline the House sent all remaining bills to Appropriations Committee. It immediately brought them back to the floor and labeled them appropriations measures.

NEW YORK — An eclipse of the sun next Tuesday — weather permitting — will be visible over nearly all of North America. The eclipse will begin at 9:21 a. m. EDT and will end at 10:19 a. m.

LANSING — Michigan has received an extra \$210,000 from the federal government for recreation use, because of high out-of-state visitor count. Most of it is earmarked for purchase and development of outdoor leisure facilities.

Laymen Control At Notre Dame

SOUTH BEND, Ind. (AP) — Laymen assume leadership of the University of Notre Dame today in an historic departure from the 125-year command by the Holy Cross fathers.

With the change, Notre Dame becomes the first major Roman Catholic institution of higher learning to entrust laymen with control — a move in keeping with the spirit of the Second Vatican Council.

The council called for vesting laymen with a greater voice in church activities.

The Rev. Theodore M. Hesburgh, university president, set the tone for the new administration about the first of the year.

He said, "The time has come for laymen to share with Holy Cross priests the responsibility of governing this internationally recognized Roman Catholic institution."

Father Hesburgh said it was unrealistic to expect the six-member board of priests to guide the university in the same manner as in the past.

He also said the shift would not mean Notre Dame would become a secular university. He said failure to change with time would prompt "organizational arteriosclerosis."

Notre Dame has had an advisory board of laymen for over 10 years. The university was founded in 1862 by the Holy Cross Fathers. It grew from a log chapel to the present campus of 80 buildings, with enrollment of about 7,000. Its law school, established in 1869, is the oldest Catholic law school in the United States.

For two days, federation delegates were tied up in a parliamentary tangle over rules and credentials.

The winner of the heated race between official federation nominee Gladys O'Donnell of Long Beach, Calif., and her contender Phyllis Schlafly of Alton, Ill., was not expected to be known until late today.

The final tally will depend on how fast the 3,409 accredited delegates can vote. The rules say each gets two votes. But many have never used voting machines before.

The latest charge was that Mrs. Schlafly's voting machine watchers, two GOP ballot security experts from Phoenix, Ariz., were not able to check out

the 20 voting machines four hours before the polls were due to open at 7 a.m.

Into the early hours today, disgruntled delegates from Missouri and Wisconsin sought some recourse from rulings of the nine-member credentials

committee, which threw out 91 delegates from 12 states.

Wisconsin with 25 delegates ousted, Missouri with 21 and Illinois with 10 were the hardest delegations hit. Mrs. Schlafly claimed all of those disbarred were her supporters.

Next Tax Fight Round In Senate

LANSING (AP) — The next round in the legislative tax fight apparently will be in the Senate, although Republican leaders said Friday they may try another vote in the House next week.

The House defeated the income tax section of their package 48-37 Thursday, but Friday reconsidered the vote and left the measure in position for another test of strength.

House Speaker Robert Waldron, R-Grosse Pointe, said he may ask for a vote next week on the income tax proposal—which in its present form would be even less attractive to Democrats than the version defeated Thursday.

Meanwhile, Gov. George Romney said he was disappointed, but not discouraged, by the bill's defeat, and State AFL-CIO President August Scholle said he was pleased.

Romney Optimistic

"There appears to be a genuine desire on the part of a majority of the members of the

House for tax reform," Romney said Friday. "I remain optimistic that a majority of our lawmakers share this goal and intend making it a reality."

Scholle told the state AFL-CIO Executive Board the tax plan voted down in the House was unfair to individual taxpayers and deserved to be beaten.

Only 2 Demo Votes

Echoing the argument of House Democrats, he said the program "placed almost the entire extra tax burden on individuals" and added business has received several tax breaks recently and "should now be assessed its full share."

The House meanwhile, removed from its tax bill Friday three provisions added in attempts to overcome Democratic objections to the measure.

Those sections increased the corporate income tax rate from 5 to 6 per cent, raised the exemption allowed under the 21 per cent personal tax from \$600 to \$1,000 and outlawed city non-resident income taxes.

Bacco To Build Whitefish Road

Sherwood C. Trotter, supervisor of the Hiawatha National Forest announces that road construction will start shortly on the Buckeye Road on the Rapid River district in Delta County. The contract for the work has been awarded to the

Bacco Construction Co. of Iron Mountain, with a low bid of \$91,354.

The new construction will begin in the SW 1/4 of Section 29, T 43 N, R 21 W, just a half mile east of U.S. 41, and run easterly, crossing the new bridge on the West Branch of the Whitefish River. The project is 4.2 miles long; and work includes clearing and grubbing, grading, draining, and aggregate surfacing.

This road will provide the only crossing of the Whitefish River from Trout Lake in Alger County to Highway U.S. 2 in Delta County. When construction is completed, through access will be provided from Highway U.S. 41 to Delta County 509.

This project will provide improved access for timber harvesting, better forest fire protection, and will enable the public to use and enjoy the resources of the Hiawatha National Forest. A parking area is planned near the new bridge on the Whitefish River for fishing and boating use.

Joyce Lyon was honored with a surprise birthday party at the home of Mrs. Gerald Lancour, 801 Stephenson Ave. on Thursday evening. Hostesses were Mrs. Lancour, Mrs. James Bushey and Mrs. Norvel LaLonde.

A buffet lunch was served from a table centered with a large birthday cake. Fifteen ladies attended the party.

THE MUNISING SILVER ECHOES Drum and Bugle Corps is one of 14 drum units coming to Escanaba for the Upper Peninsula American Legion Convention June 15-18. The unit will appear in both the parade and drum corps competition Saturday, June 17.

Legion Convention Draws 14 Drum And Bugle Units

One of the largest drum and bugle corps competitions ever staged in the Upper Peninsula is expected to fill the air with music Saturday, June 17, during the Upper Peninsula American Legion convention in Escanaba.

A total of 14 units, including the Air Force Drum and Bugle Corps from Lowry AFB, Colo., and the Racine, Wis., Boy Scouts have been entered in the competition.

In addition, the drum corps will also perform in the huge American Legion parade.

The convention is scheduled June 15-18 with the parade Saturday afternoon, June 17. The competitive program will follow Saturday night.

Co-chairmen Robert Barron and Elmer Olson announced the following list of units who have indicated they will appear: Air Force Drum and Bugle Corps, Lowry AFB, Colo.; Northernaires (senior and junior units), Menominee; Blue Notes (senior and junior units), Ishpeming; Ontonagon Mountaineers; Munising Silver Echoes; Iron River Legionettes; L'Anse Golden Eagles, Crystal Falls; Crystalaires, Ironwood; Blue Knights, Marquette; Majestics, Manistique; Lancers and the Racine, Wis., Boy Scouts.

Although the Lowry AFB and Racine Boy Scout corps will not compete for the \$2,500 in prize money offered, both will perform exhibition drills Saturday night. The Athletic Field will be completely lighted for the program.

Judges for the show include Jim Manks, Greenfield, Wis., music director; David Richards, bugles; Dennis Hagner, drums;

Jan Krueger, general effect, and Paul VanValkenberg, marching and maneuvering. All of the officials are members of the Central States Judges Association.

As an added part of the program, the Para-Pro Ski Divers from Evanston, Ill., will present an air show, jumping from airplanes to the athletic field turf.

Donald Guindon, general chairman of the convention, said that all of the drum and bugle

corps will appear at the Saturday afternoon parade, along with bands from Escanaba Area, Holy Name, Gladstone and Rock high schools and the Escanaba Municipal Band and a 10-piece clown band from Newberry.

He said other musical units have been contacted. The main need of the parade is for other elements, floats, etc., he said.

The executive committee, Walter Lewke, Claude Tobin and Elmer Olson, appealed to residents who might have housing available to notify the Chamber of Commerce.

"We're going to have to use all available housing," said Guindon. "Anyone with rooms to rent is urged to do so."

C-C Endorses Parking Plan

The Board of Directors of the Escanaba Chamber of Commerce, meeting Thursday noon, wholeheartedly and unanimously endorsed the parking lot project proposal prepared by a committee of property owners and retailers, and recommended its immediate adoption by the Escanaba City Council Thursday night.

Acting on the recommendations presented to the Council by Forrest Henslee, the Escanaba City Council adopted the proposal.

The Board of Directors of the Chamber further recommended that this proposed parking lot and the lot adjacent to the fire station be policed by the meter maid, chalking the tires at two hours intervals and that over-time parking violation tickets be issued.

The committee of property owners and retailers met Tuesday evening at the Chamber building and voted unanimously to request the Board of Directors to adopt the proposal. This committee included Dan Boyle, A. Chern, H. E. Flath, John C. Gunderson, Forrest Henslee, Myrtle Johnson, Stanley Johnson, Arne Maki, Pat McGee, Ralph O'Laughlin, George Papadakis, C. Gust Peterson, Richard Pryal, Dalip Reinquist, J. St. Jacques, Walter F. Wickert and Don Yost.

School Chief:

Ritenburgh Takes Bark River Post

A vacancy in the position of superintendent, Bark River-Harris Schools, will be filled effective June 15 by Gerald R. Ritenburgh, who will come to Bark River from the Pier School District near Benton Harbor.

The vacancy was created by the resignation of Richard Hendra on Oct. 15, 1966, who accepted employment with the Michigan Department of Education.

Since then Carl Ahlin of Bark River, a member of the Bark River-Harris Board of Education, has served as assistant superintendent in the emergency.

Announcement of Ritenburgh's acceptance of the position was made today by Ahlin, who reported that the new superintendent is a native of Flint, where he was born 31 years ago.

Ritenburgh received his Bachelor of Science degree at Central Michigan University and his Master's Degree in school administration from Western Michigan University. He is a captain in the U. S. Army Reserve. He is a graduate of the Kalkaska High School.

He taught at Walloon Lake from 1955 to 1960, was principal of the Edman School, Benton Harbor, from 1960 to 1963, and has been superintendent of schools at Pier for the past four years.

Ritenburgh's wife, Margaret, is working on her degree in

Gerald G. Ritenburgh

special education, and he is working toward specialist degree in school administration. They have two young children.

Ritenburgh's hobbies include hunting and fishing. The Bark River-Harris Board of Education has two trustees whose terms will expire this spring: Clarence Ray, who has been on the board for eight years, and Phillip Norman, trustee by appointment for the past year.

Both men are candidates for election for terms of four years. The deadline for nominating petitions is May 13 at 4 p. m. and candidates may obtain petition forms at the Elementary School office.

Escanabans' Art Named To Show

MARQUETTE—Art work by 13 Upper Peninsula high school students has been selected for the Youth Arts Festival Exhibit to be held May 12-14 in Kalamazoo. The festival is being sponsored by the Michigan Art Education Association and the Kalamazoo Arts Council in conjunction with the 1967 Michigan Week celebration, May 20-27.

Students whose work has been selected include: Escanaba High School—Robert Hansen and Ann Erickson, both for their paintings; St. Ignace High School—Janet Lannoo, collage, Diana Beck, collage, Michael LaJoie, watercolor, and Chris Bosen, charcoal drawing.

Hospital Week Reminder

The Pill Shows In Hospital Births

St. Francis Hospital of Escanaba will mark National Hospital Week starting Sunday with a report to the public showing general gains in services and special but a declining number of babies because of The Pill.

There were 581 births in the hospital in 1966 compared with 642 in 1965 and 715 in 1961. In those same years, while births were declining, the number of patients admitted was

278, same as in '65, up from 252 in 1964. Payroll last year was \$862,974, compared with \$885,001 in '65 and \$801,728 in '64. The cost of supplies was down a bit, \$664,208, compared with \$647,293 a year before.

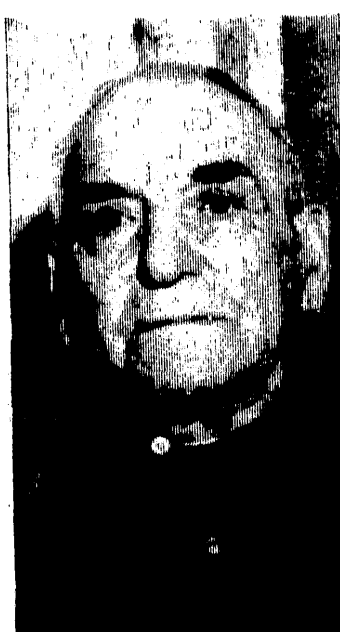

Patients days rose to 53,944, the highest in the history of the hospital, compared with 42,954 in '65 and 39,345 in '64, showing the constantly increasing use of the hospital. Emergency room admissions totaled 900, compared with 663 in '65 and 394 in '64.

Sister M. Hildegard, administrator of the hospital, which is owned and operated by the Sisters of the Third Order of St. Francis of Peroria, Ill., noted the constantly mounting cost of hospital operation, which brought the payroll to touching distance of a million dollars.

"At the close of World War II," she said "industry wages were nearly double those paid in hospitals and in most areas hospitals were drawing from the bottom of the labor pool. In 1946 the average annual wage

of the hospital employee lagged 97 per cent behind industry. "By 1961 this gap had narrowed to 31 per cent and with the current wave of hospital salary and wage increases precipitated in part by the stand of professional nurses, whose salaries had fallen behind the hospital scale is beginning to approach the level of industrial wages.

"As this wage gap closes, hospitals will be able to compete successfully for the skilled workers in the community. "However, hospitals continue to be criticized for the rapidly increasing costs of hospitalization. It's not likely that this upward trend on hospital costs will suddenly reverse itself, since nearly two-thirds of the hospital's operating costs are paid out in wages and salaries."

HE'S 91 TODAY and feeling quite well, thank you. Eugene Perron, a resident of the Delta Nursing Home, was born in Clarence Creek, Ontario, and came to this area at the age of 17 and has lived here since. He will be visited by relatives and receive the congratulations of friends in observance of his anniversary.

Tentative Budget:

Council Approves 5% Wage Raise

The Escanaba City Council has approved a 5 per cent increase in wages for city employees (except firemen) for the fiscal year 1967-68, according to a tentative budget approved by the Council in a special meeting recently.

The tentative budget is prepared and submitted to the Council by City Manager George Harvey for the fiscal year that will begin July 1.

According to the Council minutes: "The Council reviewed the budgets of the various departments of the City. In the course of said review, the Council accepted the recommendation of the city manager and as shown in the budget for an increase of 5 per cent in wages to all personnel with the exception of the Fire Department, because of rule changes governing premium time for Sunday and holidays."

The proposed budget in-

cludes the hospital, medical and surgical insurance, life insurance plan and shift differential plan as recommended by the city manager. This also was accepted by the Council.

There will be a few adjustments in department head salaries, Harvey told the Council.

The proposed budget is now being printed and will be ready for public distribution on Monday or Tuesday. Copies will be available at the City Hall, Library and elsewhere.

In accordance with the city charter, the Council set the date of May 18 at 8 p. m. for public hearing of the budget. All persons interested will be given the opportunity to be heard at that time.

League Concerned:

Urges Candidates For School Board

The Escanaba League of Women Voters in a statement issued today encouraged qualified citizens to become candidates for the Escanaba Area school board.

"The League of Women Voters is concerned that no candidates have shown an interest in serving on the Escanaba Area School Board of Education," it was reported by Mrs. Earl Owen, the League's Voter Service chairman.

"The two incumbents are not seeking reelection and the deadline for filing petitions is May 13. The League would urge citizens of Delta County who are interested in the youth of this community and the administration of the schools to seek this important office."

Dr. Vernon K. Johnson and Kenneth Buckland will retire from the school board at the expiration of their terms this spring.

The election will be held Monday, June 12, and two trustees will be elected for terms of four years.

Prospective candidates can obtain nominating petition forms at the School Administration building near the Webster School. The candidates must reside in the Area School District and own property assessed for taxes in the District.

The Escanaba Area Public School District includes Escanaba city and the townships of Cornell, Ford River and Wells. The deadline for filing nominating petitions, which must

carry the signatures of a least 20 qualified electors of the district, is 4 p.m. Saturday, May 13.

Hold-over members of the Escanaba Area Board are Atty. Wheaton Strom, Mrs. Robert Mosenfelder, Forrest Henslee, Marvin Marshall and Roland Collins.

CAUSE OF EXTINCTION

Chief factor which brought about the extinction of the dodo bird in the islands of the Indian Ocean as early as 1680 was the hogs of the early settlers. These animals fed upon the dodo's eggs and young.

A BIG PARTY FOR ALL

JUNIOR BANKERS

Important information for all Junior Bankers attending the Junior Banker party, May 13th, at the DELFT theatre.

Kids, mark your calendars, whet your appetites, and make plans now for a big, fun-filled morning of movies, cartoons and excitement! Plenty of popcorn, a gift you'll enjoy receiving, and wonderful movies to see—all part of our plans for all you Junior Bankers.

This annual Junior Banker party is just for members of the Junior Bankers Club. It's all free, with the compliments of the First National Bank and Trust Company. Your admission ticket, of course, is your Junior Banker badge. Don't forget, however, that you Junior Banker Club members can bring one guest, free at no charge, to this special party. So make your plans now before it's too late.

Parents, you can attend the party with your children if you choose. Just have them at the Delft Theatre promptly at 10:00 A. M. In the event that you prefer to do some shopping, we'll have the children waiting for you at 12:00 Noon. Just drive up in front of the theatre and we'll see that they find their way to your car.

Boys and girls who do not belong to the Junior Banker Club, there still is a way to become a member so that you can attend this fun party. Just visit the First National Bank and Trust Company, open a Junior Savings account—you can do this for as little as a dollar—and we'll see that you get your Junior Banker badge in plenty of time to come along with all the other boys and girls to enjoy the fun.

Don't forget the date—Saturday, May 13th, 10:00 A. M. at the Delft Theatre. We'll be looking for you, and we know you'll have a wonderful time.

Women Name U.P. Needs In CIP Meeting

Two men who were influential nationally in the Community Improvement Program which the Sears Roebuck Foundation is helping finance addressed a luncheon meeting of U. P. clubwomen at a CIP leadership training program here Friday at the Sherman Hotel.

They are Dr. Duane L. Gibson of the Institute for Community Development of Michigan State University, and Dr. Claud Bosworth, vice president—public services of Northern Michigan University.

Dr. Bosworth told the women "there are problems like pollution, delinquency and economic development that can't be solved by one community group or by one university discipline, and what's everyone's business becomes nobody's business. It takes a special skill to lead a community and this skill is in very short supply."

Women Can Aid
The speakers, including Mrs. Charles Rose, Esq., president of the Michigan State Federation of Women's Clubs, and Mrs. Earl Hazelton, CIP chairman of the General Federation of Women's Clubs, of Orlando, Calif., said women can make a big contribution to community leadership.

Friday's workshop, one of a series held in the state, drew 50 leaders of women's clubs from across the Upper Peninsula. The host committee included Escanaba Woman's Club President Mrs. Forrest Henslee, Civic Committee Chairmen Mrs. Arno Whipple and Mrs. Charles J. Byrns, Mrs. Clifford Frasier, Mrs. Ed Harkins, Jr., Mrs. Donald Goulais and Mrs. A. C. Baudek.

The Sears Foundation hosted the luncheon.

When women tackle community improvement, said Dr. Gibson, they bring more human and esthetic concerns and family needs to their planning than men, who are apt to stress economics—industry and jobs—although women don't neglect this area.

Top Needs
There are some constants that show up in any list of community needs that women leaders make no matter where the meeting is held, but in the U. P. Dr. Gibson found more

accent on areawide (U. P.) and county-wide needs. In the Lower Peninsula planning was more on a community basis. Downstate, urbanization (city growth) has brought many of the problems which the CIP concerns itself and it has not been so much of a factor in the Upper Peninsula.

Downstate there were problems like Waverly Township outside Lansing with need for water, sewers, police and health services and Norton Township outside Muskegon with a population of 20,000 and only one full time policeman and a few part-time helpers.

Women stress: 1. The esthetic qualities in life—libraries,

Consumer Expert To Speak At Woman's Forum

The U. P. Chapter of the Michigan Credit Union League is sponsoring an informal evening program for the ladies of the Escanaba area on Monday, May 8 at 8 p. m. at Marco's Starlite Room.

Guest Speaker will be Mrs. Esther Shapiro, Consumer Affairs representative of the Michigan Credit Union League staff. She will speak on the woman's role in family finance, comparative supermarket shopping and truth in packaging, subjects in the minds of most homemakers.

Mrs. Shapiro recently joined the Michigan Credit Union League staff as Consumer Affairs representative, which involves working with the Michigan Council on Economic Education. Prior to joining the public relations group, Mrs. Shapiro was recruitment director in the Office of School Volunteers, Detroit Board of Education. She and her husband live in Detroit and have two children.

Local Credit Union members have received invitations to this meeting; however, you need not be a credit union member to attend and all ladies in the Escanaba area are invited to attend.

There will be an informal question and answer period, followed by refreshments.

Mary M. Young Bride Of Patrick S. Boddy

St. Patrick's Church in Escanaba was the setting at high noon, Saturday, April 29, for the wedding of Miss Mary Margaret Young and Patrick Stanley Boddy of Escanaba.

Officiating at the double ring ceremony was Rev. James A. Pepin. The bride is the daughter of Mr. and Mrs. Levy Young of Rte. 1 Escanaba and parents of the bridegroom are Mr. and Mrs. Fred J. Boddy of 427 S. 12th St.

Imported Lace
The bride selected for her wedding a floor length gown of white imported lace fashioned with a Sabrina sequined neckline and long tapered lace sleeves. The bouffant skirt was also embroidered with sequins.

A crown of pearls and sequins held her elbow length veil and she carried a cascading bouquet of white carnations with red sweet heart roses and ivy foliage. The bride was given in marriage by her father.

Serving as matron of honor was Mrs. James Edwards and bridesmaid was Jacqueline Boddy. They were attired in floor length pastel pink and mint green chiffon over satin gowns styled in the empire line.

Short lace jackets with elbow length sleeves topped the jeweled bodices of the gowns. Hair braid bow head pieces with matching lace flowers held their shoulder length veils and they carried cascade bouquets of flowers tinted to match their gowns.

Flower Girls
Debra Ann and Susan Kay Young, sisters of the bride, were flower girls. They were attired in yellow taffeta gowns with matching lace jackets. Their shoulder length veils were

held in place with headbands centered with a single yellow rose. They carried miniature cascading bouquets to match their gowns.

Serving as bestman was Dennis Beauchamp and groomsmen was Roger Boudreau, both of Escanaba. Seating the guests were Norbert Young, brother of the bride and Fred J. Boddy Jr., brother of the bridegroom.

For her daughter's wedding Mrs. Young wore a pink print silk dress with white accessories. Mrs. Boddy selected a silk turquoise ensemble with matching pink and turquoise accessories. Both mothers were presented corsages. Grandmothers of the couple were also presented corsages.

Reception
A wedding reception was held at the Ford River Lion's Club. Assisting with duties were Margaret Young and Mrs. William Block, sisters of the bride. At the coffee service were Mrs. Arthur Young of Milwaukee and Sharon Mathieson of Escanaba.

The rehearsal dinner was given Friday at the home of the bridegroom's parents.

The bride attended the Escanaba Public Schools and the bridegroom is a 1963 graduate of Escanaba Area High School and is presently employed at the Harnischfeger Corp.

Rapid River Seniors Leave For Chicago

Rapid River seniors left at 6 a. m. today by chartered bus for Chicago accompanied by Superintendent and Mrs. Walter Peters and class advisor, Bill McGovern.

Two Boys, 6, Hurt By Cars

Two six-year-old boys were injured in traffic accidents Friday night and one remains in St. Francis Hospital today, State Police report.

Jeffrey Erickson, Chemical plant location, suffered a fracture of his lower left leg when struck by a car driven by Terry D. Burak, 23, also of the Chemical plant location, about 7:35 p.m. Friday, State Police said. Hospital officials said he was in fair condition this morning.

Hoopers reported the boy ran in front of Burak's car, which was southbound on County Rd. 517 in Wells Township.

Also injured Friday night but apparently not seriously was Gregory Croasdel of Rte. 1, Rock. State Police said he rode his bike into the side of a car driven by James Yeadon, 47, of Rock. The accident happened about 5:15 p.m. on County Rd. 444 in Turin Township of investigation. State Police are looking for the car which backed into a car driven by Betty J. Peterson, 45, of Rte. 1, Gladstone, about 8:30 p.m. in Bay de Noc Township. She told police she was leaving the family camp and had stopped for the county road when the car making a turn around backed into the front of her car and drove away.

Rev. C. Westby Guest Speaker Here Sunday

Rev. Carl Westby, a missionary of the American Lutheran Church is currently home on furlough from mission work in Japan and he will be speaking at Immanuel Lutheran Church on Sunday.

Rev. Westby was born in Aberdeen, S.D., and received his education at Culbertson High School, St. Olaf College, Montana State University, and Luther Theological Seminary. Prior to entering the seminary, he was employed in student work at Montana State.

Rev. Westby and family left for Japan in 1961 and have completed one term of service. They were missionaries in Yaizu City where Rev. Westby was in evangelistic work. When they return to Japan this summer he will begin student work in Toyoko.

Rev. and Mrs. Westby are parents of four children and the family is residing in St. Paul during their year of furlough.

Japan is one of the 12 mission fields of the ALC. Work was begun in 1949 and there are now 13,933 baptized members. The field has 85 missionaries serving under the ALC.

Rev. Westby will speak at both the 9 and 10:40 a.m. Sunday worship services. At 5 p.m. he will discuss youth and their problems in Japan with the teen agers of Immanuel. This will be followed by a 6 p.m. pot luck supper. At 6:45 he will show slides and comment on his work.

All members and friends of Immanuel Lutheran are welcome to attend any of these events.

Be A Donor!

Need For Blood Noted In Delta

The Red Cross knows that only 8 per cent of the nation's population supply the blood needs for all of its people—including the men in the fighting forces in Vietnam.

The Red Cross would like to increase this percentage to assure a continuing and ample supply of blood, and the Delta County Chapter is encouraging blood donors to register now for the bloodmobile clinic to be held in the county next week.

The bloodmobile will be at the James T. Jones School in Gladstone from 3 to 7 p.m. on Tuesday.

It will move to the Teamsters Hall in Escanaba and will be in operation from 2:30 to 7:30 p.m. on May 10 and from 10 a.m. to 3 p.m. on May 11.

The appointments so far include 20 industrial on May 9, 44 industrial on May 10, and 23 industrial plus 8 Escanaba Area High School seniors on May 11, the Red Cross reports.

On May 11 the blood bank seeks 15 units of A+ blood for heart surgery to be performed on a man from Oastburg, Wis.

The collection will be made at the bloodmobile site and all A+ donors who meet the requirements are urged to respond. The requirements: A donor has never received a

transfusion, has no allergies, and has never been pregnant.

Julian Hargen, speaking recently in Marinette to a group of Badger Red Cross Blood program workers, noted the need to increase the number of donors above the 8 per cent nationally.

L. J. Peterson, regional administrative director for the blood bank, speaking to the same group, told of the need to increase the hospital participation fee from \$6 to \$8 per unit of blood.

In return the hospitals will receive added service—more blood derivatives, a daily check of the hospital's blood needs, and increased assistance with the problems of cross-matching and typing.

Iversons Hurt In Truck Crash

Two of Escanaba's most popular stock car drivers, Bob and Herb Iverson, were being transferred to St. Francis Hospital today by ambulance from Oshkosh, Wis., after being injured in a traffic accident early Thursday morning.

A member of the family said the brothers were injured when the truck driven by Herb Iverson collided with another truck on U. S. 41 near Oshkosh. Bob Iverson suffered lacerations and a dislocated hip which is expected to keep him from driving in stock car competition this summer. Herb Iverson also suffered lacerations and a broken foot.

Tom Domres, Gladstone's contribution to the University of Wisconsin football team, was singled out for praise following a heavy duty workout in Madison this week. . . The 237 pound defensive tackle, who will be a senior next week, dominated a 35 minute goal line scrimmage session, according to the report from new coach John Coatta.

Neil DeRoche, Soo's swift striding senior sprinter, was back in action in the Kiwanis Invitational meet this week and won the 100 yard dash in 10.9 seconds. . . DeRoche, bothered by a leg ailment this spring, is the defending Upper Class A-B champion in both the 100 and 220 yard dashes.

Athletes from Lake Superior State College will be honored at an all sports banquet Wednesday, May 31. . . Special awards will be presented to most valuable players in basketball and other sports. . . The outstanding athlete of the year will receive the Clifford Everett Award, presented by Archie Weston, former University of Michigan All-American football star.

Gordy Fox of Escanaba, a student at Northern Michigan University upset perennial champion Bob Brumm in the finals of the Marquette City table tennis tournament. . . Fox won the title match with three victories after losing the opening game. . . Brumm then teamed up with Phil Jones to defeat Fox and John Gates in the finals of the doubles division.

Andy Hines, whose father is stationed at K. I. Sawyer Air Base, has been named winner of the E. L. Miller Athlete of the Year award at Gwinn High School. . . Hines was a stand-out in football and basketball and is a member of the Model Townner track team this spring. . . Main speaker at Gwinn's sports banquet this week was Dr. Rico Zenti, former Gwinn resident who is the athletic director at Northern Michigan University.

Craig Lindeman, husky Channing shot putter, got off a toss of 45 feet 6 inches in a dual track meet against Florence this week. . . That's the best of the season in Class D and one of the longest in any class in the Upper Peninsula this spring. . . Florence won the meet, 76-39.

Iron Mountain took top honors in a triangular meet against Norway and Stambaugh, winning six firsts and scoring 64 points. . . Lone double winner in the meet was Jim McHugh of Stambaugh in the high jump and long jump.

Wills Hit On Knee By Giants Pitcher, Pirates Win Anyway

By The Associated Press
Maury Wills was talking about his reunion with the Los Angeles Dodgers when someone asked him if he had any friends among the San Francisco Giants.

"No," replied one of the game's fiercest batters. "Actually I don't believe I have any friends in this league. It's not any great hostility, but when I've got the uniform on it's every man for himself."

Less than 24 hours later, the Giants showed that Wills — in uniform at least — is no friend of theirs.

In the sixth inning of what turned out to be a 7-2 Pittsburgh victory Friday night, pitcher Ray Sadecki hit Wills on the right knee with a pitch and knocked him out of the front lines for at least several days and possibly a week.

"You can tell when a guy's trying to hit a man, and he was trying to hit Wills on the first pitch," Pirate Manager Harry Walker said after the game.

"Wills has been hot. They knew he's been hot so they were throwing at him."

The Giants' clubhouse door was closed so no one was available to give the San Francisco version of the sixth-inning incident that led to a seventh-inning no matter how it came about, Wills hit the dirt on Sadecki's first pitch, then got hit on the right knee on the next pitch.

He left the game two innings later when his knee started to swell. He also displayed a bruise on the inside of the knee,

the same one that gave him so much trouble last season.

The 34-year-old third baseman, whom the Pirates acquired from the Dodgers during the winter, rapped two hits in the game, raising his average to .351. He has scored 12 runs and stolen five bases.

In other National League games Cincinnati crushed Atlanta 14-7, Chicago stopped St. Louis 5-3, Philadelphia downed Los Angeles 3-1 and New York nipped Houston 3-2.

In the inning after Wills was hit, the Pirates' Tommie Sisk, who pitched a four-hitter, fired a pitch that sailed over Hal Lanier's head. Lanier took a few steps toward the mound, and players from both teams rushed onto the field, but there was no contact.

George Spriggs and Donn Clendenen each drove in two Pirate runs while Matty Alou contributed three hits to a 14-hit offensive.

Both Cincinnati and Atlanta erupted in a rash of hits, but the Reds — who had been shut out in their previous two games — won by including three homers and four doubles in their 18 hits.

John Edwards clouted a three-run homer for Cincinnati while Tommy Harper and Deron Johnson also connected.

A tie-breaking single by Ernie Banks capped a three-run rally in the seventh inning that propelled Chicago past St. Louis. Banks also singled home a run in the sixth, the first run off Cardinal pitching in 25 innings.

Orlando Cepeda homered for St. Louis in the fourth.

Villanova's Distance Relay Team Will Shoot For New World Record

QUANTICO, Va. (AP) — Jumbo Jim Elliott, his Villanova Wildcats having already bagged the two biggest distance events in the 11th annual Quantico Relays, went looking today for a world record — next week.

Today's goal for sophomore star Richmond Flowers of Tennessee, a surprise added starter, was much simpler — revenge for last week's defeat in the 120 high hurdles in the Penn Relays.

Elliott, who feels distance ace Dave Patrick needs to sharpen up his dash work, planned to use his star only in the mile relay in preparation for the Wildcats' invasion of the West Coast next week in quest of a world record in the distance medley relay.

The Wildcats swept to victory Friday in the distance medley and four-mile relays, setting meet records in both. Patrick ran only the anchor leg on the four-mile team, which finished 175 yards in front in 16:51. Charlie Messenger anchored the dis-

tance medley quartet to a 9:47.6 clocking.

Patrick was caught in 4:10.2 for his mile with Frank Murphy running the fastest leg — 4:09.4. Messenger ran a 4:06.1 mile in the distance medley to hold off Fordham's Jack Path, who was timed in 4:04.8.

Three other records were set on opening day, two by the girls.

American record-holder Charlotte Cook of Washington, D.C., ran the 800 in the trials in 2:08.7, while Tennessee State's Mattilene Rander, Muarcella Daniel and Madeline Manning — was clocked in 46.7 seconds, also in the trials.

The open 800-yard run was won in record time by Benedict Cayenne of Maryland State, who did 1:50.7 in the finals after earlier lowering the record to 1:52.1 in the trials.

Flowers had the fastest time in the high hurdles trials, 14 seconds, and also made it to the semifinals in the 100-yard dash with a 9.8 clocking. Two-time defending champion Ed Roberts

JIM BOYLE, Escanaba's superb senior hurdler, displays the form that produced new records in the high and low hurdles in the Great Northern Conference track and field meet here Friday. Boyle also cracked the conference record in the long jump. In the bottom photo, one of the closest finishes in the meet is shown with Escanaba's Jim Olsen, at the right, hitting the tape in the 440 yard dash. Other runners from the left are Jeff Franson of Kingsford who finished fourth, Daryl Prey of Holy Name second and Rudy Steiner of Iron Mountain third. (Daily Press Photo)

Jim Boyle Smashes Three Records

The versatile Eskey star next skinned the 120 yard high hurdles in a spectacular 15 seconds flat to erase his own conference record of 15.6 which he established last year. The U.P. record for the event is 15.4.

Boyle's third conference record came in the 180 lows which he toured in 20.4 seconds, bettering his own mark of 21.0 set last year. The U.P. standard for the lows is also 20.4, established 17 years ago by John Leppi of Ironwood.

Miller Goes 6-2
Boyle teamed up with Paul Miller, Jim Olsen and Tom Boyle for a 1:36.8 clocking in the 880 relay. The conference record is 1:36.7.

Miller also wrote his name in the conference record book when he soared to 6 feet 2 inches in the high jump. The previous standard was 5 feet 10 1/2 inches, set in 1965 by Escanaba's Ray Anderson. In addition to running a leg on the 880 relay race, Miller also finished fourth in both the 100 and 220 yard dashes.

Other conference records were set by Gordon Pekuri of Menominee in the new 2 mile run (10:30), Tom Powell of Kingsford who stepped the half mile in 2:06.85 and the Iron Mountain mile relay unit with a 3:43.1 clocking.

Groos Double Winner
John Vardigan gave Eskey another first with an impressive 11 foot 8 inch effort in the pole vault and Jim Olsen snatched a thrilling victory in his section of the 440 yard dash in 55.2 seconds.

Holy Name came up with a double winner in speedy Jim Groos who broke the tape in the 100 and 220 yard dashes. The Crusader senior ran the century in 10.65 and the full-length in 24 flat.

Bob Bricco provided the Crusaders with another six point performance in the shot put, winning the event with a toss of 48 feet 4 inches.

Summary:
Long jump—J. Boyle (E), Franson (K), Smith (HN), Palmquist (E), McAuliffe (K), 21-1 1/4. New record.

Pole vault—Vardigan (E), Lord (S), Bricco (HN), Ryberg (K), Knauf (HN), 11-8.

Four-Hit Gem By Lolich Turns Back Orioles 4-0

By The Associated Press
DETROIT (AP) — Detroit Tigers pitcher Mickey Lolich is wearing a blue uniform today as he does a weekend stint in the Michigan Air National Guard.

And if he does half as good a job as an airman as he did as a pitcher Friday night, this country's shores are safe.

Lolich pitched a brilliant four-hit shutout, 4-0, over Baltimore and cracked a single that drove in the winning run. His shot in the 2nd inning was really all that he needed, but Dick McAuliffe lifted a towering home run in the third and two base-hit bunts, two walks and an error got the Tigers two more in the fifth.

"The first couple of innings I had quite a bit of trouble with my curve," Lolich said. "But as I kept throwing it came around."

"My best pitch was a flat curve, generally known as a slider, except I wasn't throwing it like a slider. It was catching the corners."

Lolich ran his record to 3-1 and has high hopes of improving on last year's 14-14 record. "Last year I just couldn't throw the ball where I wanted," he said.

"This year I'm throwing where I want to. The pitches are going where they are supposed to," the lefthander added.

Bill Freehan said Lolich pitched as good a game as he has caught this year. Freehan said "He really had the stuff after the first couple of innings. His ball is moving more than last year and he's really concentrating on keeping the ball down. He's making his pitches sink real well."

Lolich struck out eight and walked only two. His only bad inning was the second, when Brooks Robinson led off with a single, Woodie Held made first on a fielder's choice and Paul Blair singled. Larry Haney walked the bases full with two out, but Lolich struck out pitcher Steve Barber to end the inning.

In the second Norm Cash and Ray Oyler walked and Lolich cracked a single to right, scoring Cash.

McAuliffe towered a homer into the second deck at about the 350-foot mark in the third inning. "I got a real good piece of a slider," he said.

In the fifth inning Lolich led off with a walk. Don Wert dumped a beautiful bunt between home and the mound and both men were safe.

Then McAuliffe rolled a bunt toward third, Barber picked it up, looked toward third and threw too late to first.

The count went to three balls on Al Kaline and Eddo Watt relieved Barber, but he walked.

Palmer Sizzles Into Top Place In Golf Action

HOUSTON (AP) — Arnold Palmer, golf's all-time money maker, isn't winning as much as he'd like to this year. Yet in seven of the 12 pro tournaments he has finished fourth or better, pocketing \$73,273.

He locked onto the lead in the rich, \$115,000 Champions International Friday, sizzling to a five-under 66 for a 134 total and a three-stroke lead. His nearest contender was young Frank Beard, alone in second place at 137.

"Palmer's off to his best start of any year," a PGA official said, noting that he had finished in the money in every tournament on the 1967 tour.

The ledger showed that Palmer had played 33 official rounds of golf this year. On 22 of those he posted rounds in the 60s, hardly surprising for the mighty Arnie, who has won \$827,723, more than any other golfer, in 13 years as a professional.

Palmer has won the Los Angeles and Tucson opens this year. In addition, he has recorded one second, two ties for second, two thirds and a fourth.

"I'm not winning as much as I'd like to be. I've already lost one tournament I wanted to win — that's the masters," said Arnold.

Palmer thrust himself into the limelight in the star-studded tournament director Jack Tunhill, took the edge off a 69 Nicklaus shot to recoup from a disastrous 77 on the first day. As a result, Nicklaus' 148 barely made the 150 cut.

Geiberger had a 145, and Middlecoff a 149.

Houston field by mounting one of

his typical birdie charges, using deft iron play for birdies on five of the last seven holes.

"My irons were pretty good," said Palmer. "They're the outstanding part of my game, if there's any outstanding part."

Jack Nicklaus, who is having a bad year on the tour, suffered a frustrating two-stroke penalty along with PGA champ Al Geiberger and former U.S. open winner Cary Middlecoff for slow play.

Mickey Lolich Reminds Sain Of Yankees' Ford

By The Associated Press
Johnny Sain, the tobacco-chewing old ex-Yankee who now serves as Detroit's pitching coach, was talking about Tiger lefthander Mickey Lolich.

"He's an interesting fellow," Sain said. "He has an active mind."

"He reminds me a lot of Whitey Ford."

Which, of course, is nothing but bad news for the American League. Ford, still active, once was the scourge of the league's batters and the pitching key to the Yankee dynasty.

Lolich, inconsistent in the last two seasons, is off to his best start ever, 3-1 with three complete games, two six-hitters and a four-hitter after a 14-14 mark last season. He must be a big winner if the Tigers are to realize their pennant hopes.

He looked the part Friday night, and a lot like Ford, spin-

ning a masterful, four-hit, eight-strikeout, 4-0 shutout of Baltimore. The victory kept the Tigers in a share of first place.

Chicago also clung to a share of the lead, beating Cleveland 3-2 behind Tommy John's four-hit pitching. Minnesota defeated Boston 5-2 and Washington stopped California 4-1, all in night games. New York at Kansas City was postponed because of rain.

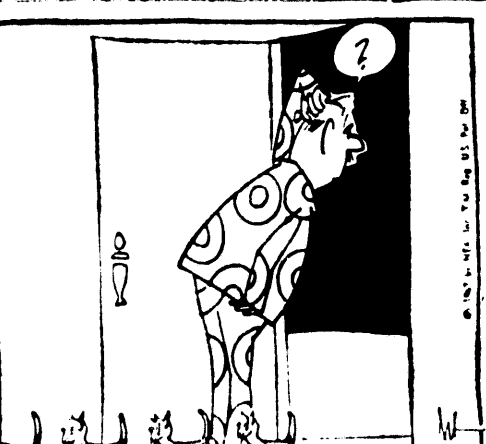

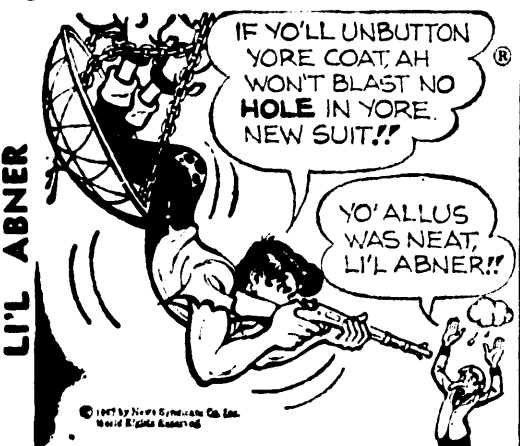

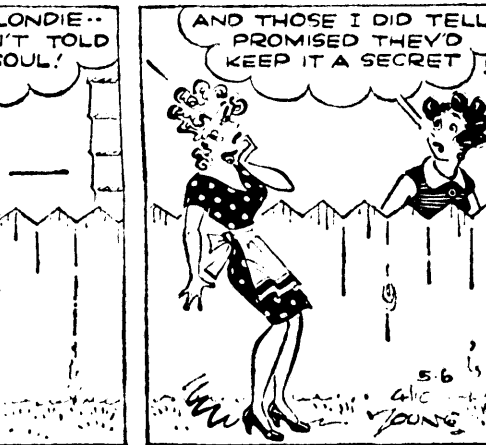

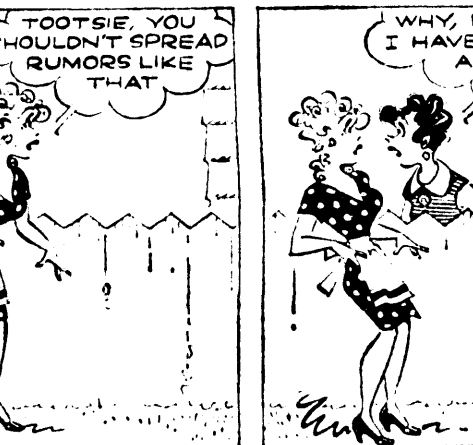

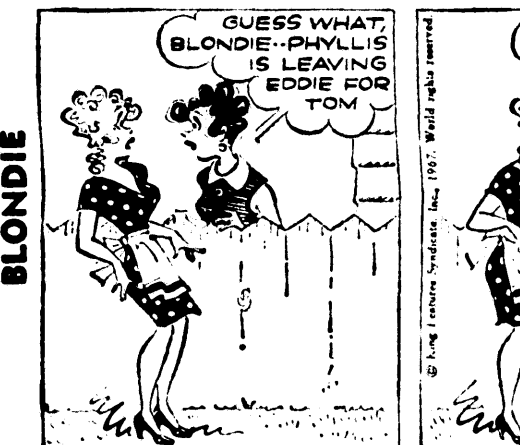

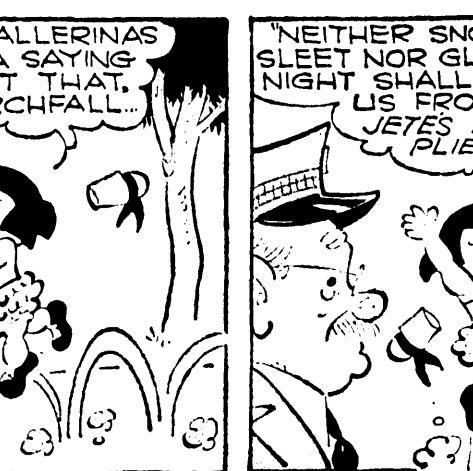

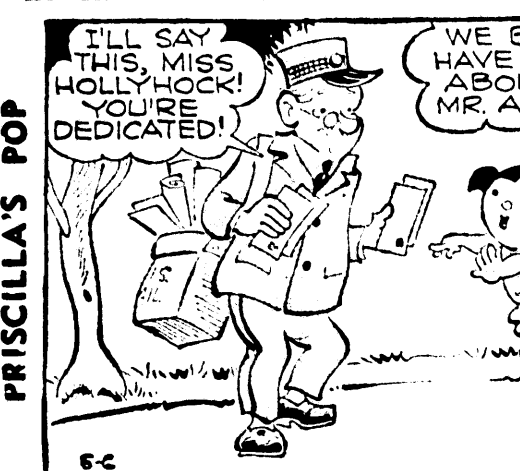

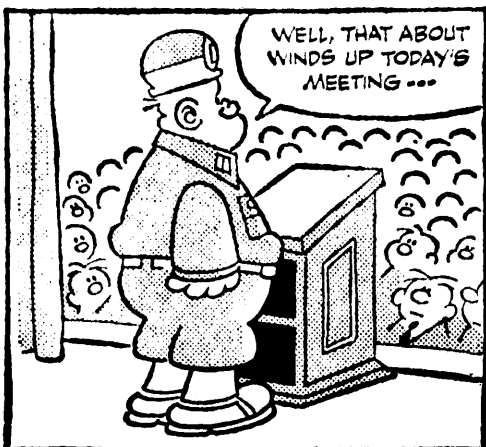

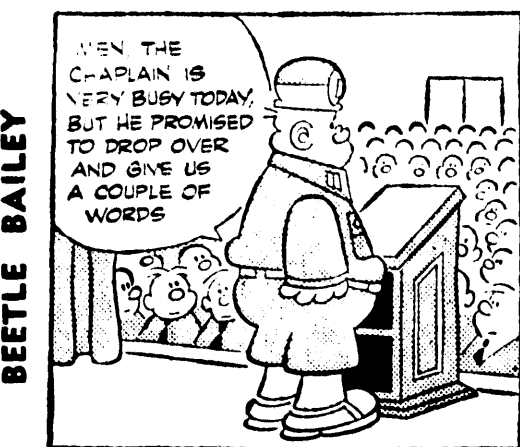

In the National League, Cincinnati punished Atlanta 14-7, Pittsburgh took San Francisco 7-2, Philadelphia edged Los Angeles 3-1, the Chicago Cubs beat St. Louis 5-3 and the New York Mets got by Houston 3-2, all at night.

Lolich, 26, a sports car and ham radio buff, has a career high of 18 victories. His 14 last season was his worst for a full season. "He has a better than

GLADSTONE
Budget Hearing
Slated May 23

The Gladstone City Commission is expected to take final action on the city's 1967-68 operating budget after a public hearing at 7:30 p.m. Monday, May 22, at the City Hall.

A tentative budget of \$748,030 for the fiscal year from April 1, 1967, to March 31, 1968, was approved by the commission at a special meeting last week.

City Manager H. J. Henrikson said that although the proposed budget appears to reflect an increase of nearly \$60,000 over expenses of last year, the actual increase is closer to \$30,000.

Henrikson said the 1966-67 figure of \$688,330 did not include nearly \$30,000 in wage and fringe benefit increases granted to city employees by the commission after the budget was adopted.

According to 1967-68 budget figures, income for the city is estimated at \$319,700, including \$24,350 "from surplus" funds.

Henrikson said the "surplus" funds have built up over the years in "cash and securities". He said, for example, when money appropriated into a contingent fund is not used it is placed in "surplus" for use at future dates.

Revenues expected include \$118,050 city tax, \$51,000 sales tax, and \$62,000 gas and weight tax, although Henrikson cautions that "legislation

City To Conduct
Sewer Hearing

The petition asks sewers between 3rd and 4th Aves. on N. 16th St.

In other business, according to the agenda prepared by City Manager H. J. Henrikson, the commission will discuss police car bids; open bids on industrial park building repairs and consider readvertising for bids for blacktop; discuss proposed harbor improvements; hear a communication regarding industrial planning from UPCA; and consider passage of an ordinance to permit participation in the state police training program in accordance with Public Act 203 of 1965.

Monday is Student Government Day at Gladstone High School and the student commission will participate in the meeting.

Briefly Told

A meeting of the Gladstone High School class of 1948 will be held at 7:30 p.m. May 8 in the conference room of the library.

Terry A. Robitaille, 20, of 625 N. 18th St., Escanaba, was arrested by State Police on a warrant for uttering and publishing no account checks forwarded by Ishpeming police. He was turned over to Ishpeming authorities.

Traffic tickets were issued by State Police Friday to David A. Wilson, 1725 1st Ave. S., Escanaba, no proof of insurance, and Margaret G. Peterson, S. 9th St., Wells, driving wrong way on divided highway.

Malicious damage to a pickup truck was reported to State Police Friday by Harry L. range, Rte. 1, Escanaba. L. range told officers he was driving north on M-35 near Ford River when someone in a car going south threw a pop bottle out the window. The bottle went through the windshield and rear window of L. range's truck. Troopers are investigating.
